

The Disappearing Witch!

Turn the clock to 13 o'clock and count 13 witches.
Turn the clock to 12 midnight and count 12 witches.
Which witch vanished? Where did she go?

Assembly Instructions

Print this on paper or cardstock.

Cut along the dashed line to make the base sheet (left).
Cut out the disc (above).

Attach the disc to the base so the disc can turn. Choose a round paper fastener, rivet, eyelet, grommet, or pin. Make holes in the centers of the disc and base for the fastener. Insert the fastener.
